

Guiding Principles

Infrastructure

Provide for adequate infrastructure and facilities to maintain City services.

New Initiatives

Support new investments reflecting the values and priorities of the City as identified in the Imagine Austin Comprehensive Plan and related plans.

Mobility

Make investments in new mobility capacity, including an initial segment for an urban rail system.

Sustainability

Promote a sustainable community and high quality of life.

Cost-Effectiveness

Identify projects that are cost-effective, leverage other funding sources and maximize the benefit of capital investment.

Balanced Approach

Consider the balance of priorities in proposed bond package.
